PRODUCT DESCRIPTION

Designer: Ferm Living

Ferm Living Collect Bell Socket Pendant Dome

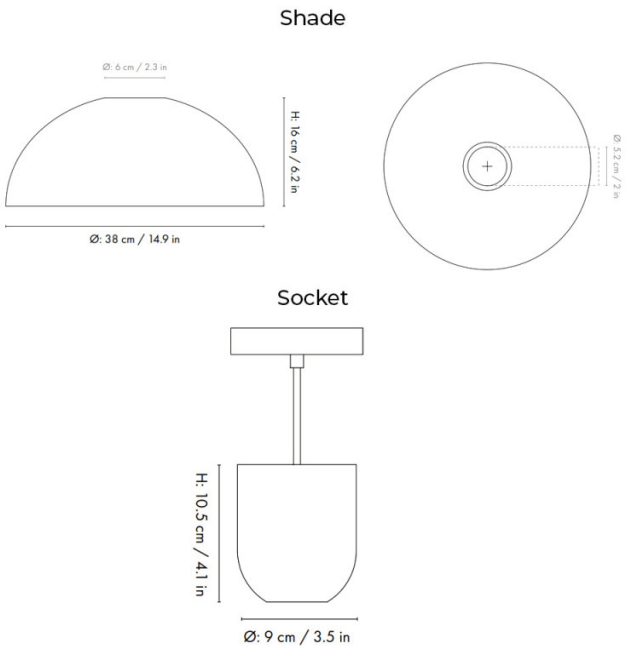

With its generous curves and smooth silhouette, the Ferm Living Collect Bell Pendant Dome is ideal for making a statement while retaining a sense of softness. The large powder-coated Dome shade distributes light broadly and evenly, and when paired with the Bell Socket, it takes on a sculptural presence that feels both grounded and refined.

This pendant is available with four shade colours, White, Black, Light Grey or Cashmere, and five socket finishes including Brass, offering a high degree of visual flexibility. Supplied with a fabric cord, ceiling canopy, and metal ring, it brings warmth and architectural form to dining areas, living spaces, and entryways.

Please note, this product is also available in a Low Socket version, a High Socket version and a Brass Shade version.
