Ferm Living Collect Bell Socket Pendant Hoop

The Ferm Living Collect Bell Socket Pendant Hoop offers a considered interplay between minimalism and geometry. With its distinctive dome-shaped shade and sculptural Bell Socket, the pendant achieves a dynamic silhouette. The powder-coated metal shade provides focused downward lighting, ideal for dining, island, or corridor settings.

The shade is offered in four finishes, and the Bell Socket in five, allowing for full customisation. Included are a 3-metre fabric cord, a matching ceiling canopy, and a decorative metal ring. Dimming compatible, the pendant adapts to changing needs in both home and hospitality spaces.

Please note, this product is also available in a Low Socket version, a High Socket version and a Brass Shade version.
