PRODUCT DESCRIPTION

Designer: Poul Henningsen

PH 5 Pendant Light by Louis Poulsen

BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING

1 x Monochrome Burgundy Available.

Poul Henningsen designed the PH 5 pendant back in 1958 after his very successful PH series and in response to changes in light bulb size and shapes. The light fixture radiates a beautiful and warm glow that shines both upwards and downwards and is always glare free.

The original design is now available in 21 finish options, 19 coloured and 2 metallic ones, thus allowing you to choose a PH 5 pendant light that fits best with your home decor. Alternatively, the pendant can be hung in multiples using different finishes, creating your own colourful PH 5 cluster.
