PRODUCT DESCRIPTION

Designer: Paavo Tynell

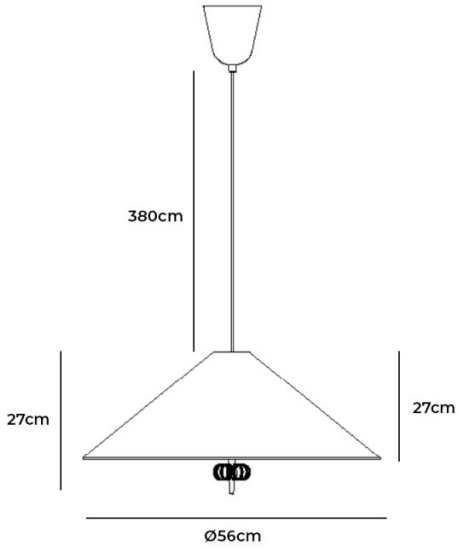

Gubi 1967 Height Adjustable Pendant

A beautifully engineered evolution of the classic Tynell design, the Gubi 1967 Height Adjustable Pendant adds a functional dimension to the timeless 1967 Pendant. Retaining the original's conical canvas shade and refined brass detailing, this version introduces a weight-and-pulley system, allowing the user to adjust the height of the pendant with ease. The mechanism, crafted from a single milled brass block, echoes Tynell's background in metalwork and his reputation for innovation in both form and function.

Perfect for spaces where flexibility is key, the height-adjustable version is ideal above dining tables, kitchen islands or workspaces where lighting needs may change throughout the day. The soft canvas shade and fabric diffuser combine to produce a warm, ambient glow that is both upward and downward facing. Subtle yet expressive, the adjustable pendant offers greater control over spatial mood and atmosphere without compromising on aesthetic integrity.

PRODUCT SPECIFICATION

Light Source:	2 x Max 10W E27 Dimmable (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Height: 27cm Shade: Ø56cm Cable Length: 380cm
