PRODUCT DESCRIPTION

Designer: Poul Henningsen

Louis Poulsen PH Aged Brass 3/2 Table Lamp

An evolution of Poul Henningsen's celebrated three-shade system, the Louis Poulsen PH 3/2 Table Lamp presents a more prominent presence, perfect for desks, console tables and larger bedside spaces. Aged brass components bring an understated luxury to the design, while the trio of mouth-blown white opal glass shades diffuse a warm, glare-free light that embodies Henningsen's original intent: to shape and soften light through layered geometry. The combination of polished brass, frosted glass and sculptural form makes this an elegant yet functional piece of lighting design.

As with others in the PH Aged Brass series, the attention to material detail is exceptional. The aged brass develops depth over time, creating a lived-in character that complements both modern and classic interiors. The lamp features a black textile cable with an in-line switch and is crafted to be visually inviting both during use and when unlit. Whether placed in a reading corner, hallway or study, the PH 3/2 Table Lamp is a testament to enduring craftsmanship and timeless Nordic design.

PRODUCT SPECIFICATION

Light Source:	1 x Max 40W E14 (Excluded)
