PRODUCT DESCRIPTION

Designer: Snøhetta

Lodes Volum Floor Lamp

The Volum Floor Lamp is a celebration of elegance and simplicity. Designed by Snøhetta, the lamps are created to complement each other, and pieces from the **Volum Collection**, in poetic compositions. Snøhetta believes that well-conceived design improves the user's experience and makes life more enjoyable. The tranquility that radiates from the Volum series is an excellent example of this philosophy.

The Volum Floor Lamp is available in four sizes, allowing you to choose a size that perfectly fits your interior. The blown-glass shade diffuses light into a warm glow that surrounds the lamp, adding a cosy and welcoming ambiance to the room. Dimmable via an in-line switch on the cable, the ambient lighting is easily adjustable to suit your requirements. In domestic spaces, create a sanctuary in a living room as the Volum Floor Lamp radiates soft lighting that highlights the beauty of the glass and the craftsmanship behind this collection. In commercial areas, the Volum Floor blends seamlessly into modern hospitality settings such as a bar or hotel lobby.
