Bert Frank Riddle Double Floor Lamp

Bert Frank Riddle Double Floor Lamp uses two perforated machined-brass shades with fabric inserts to produce a warm glow of directional light. The shades are supported by a brass upstand and a heavyweight powder-coated brass base.

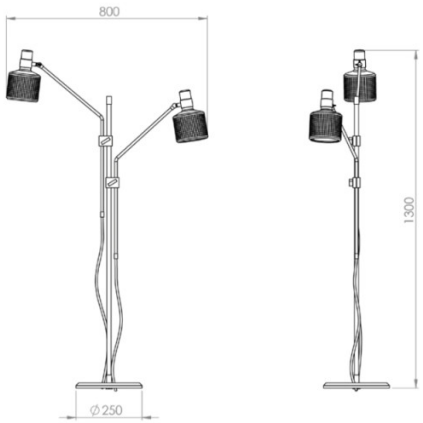

The Double Floor Lamp revisits Riddle, one of Bert Frank's original designs, in a twin-shade format. It is offered in Brushed Brass, Antique Brass, Dark Bronze, and Satin Nickel, with powder-coated options also available, while black flex cable is supplied as standard.

Two shades give the fitting a broader arrangement of directional light while retaining the established form of the Riddle collection. Best suited beside sofas and armchairs, or within living rooms, bedrooms, and reading spaces.

Please note, the product shown features Bert Frank's Textured Black powder-coated base. Alongside Textured Black, Bert Frank also offers Textured Cream, Textured Blue, Textured Green, Textured Oxblood, Satin White, Satin Dove, Satin Hazel, Satin Olive and Satin Black powder-coated finishes.
