Santa & Cole Tripode G5 Floor Lamp

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
1 x Black Ribbon Available.**

The Tripode G5 by Santa & Cole provides a cheerful atmosphere and is ideal for informal settings. The use of handmade cotton ribbons for the shade reincorporates traditional craftsmanship into a modern lamp. Lit, the shade provides a warm light, rich in nuances, and while the light is off, the Tripode G5 is a sculptural statement piece that enhances the room. The delicate and shapely Tripode G5 has a tubular metal tripod forming a triangular shape, which means the lamp does not need a base to stand up.

Santa & Cole collaborated with the studio Raw Colour in Eindhoven to create new ribbon colours, each woven from three distinct yarns: terracotta, mustard yellow and forest green. Then in 2022, the brand worked with textile expert Júlia Esqué to create the diplomatica and striped finishes to mark 25 years of the Tripode. A true symbol of contemporary design: simple, colourful and functional.
