PRODUCT DESCRIPTION

Designer: Sofie Refer

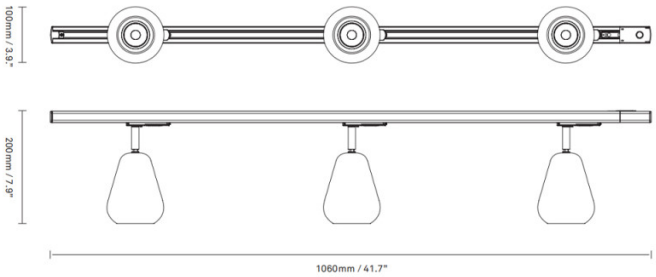

Nuura Anoli Spot Track

The Nuura Anoli Spot Track is a timeless and minimalistic lighting solution, perfect for spaces that require functional, glare-free spotlights. Available in either a sleek black or white finish, the Anoli Track utilises three spotlights that resemble the silhouette of a raindrop and can be angled to direct the illumination where it is most needed in the room. The light source is easily dimmable when using a dimmable bulb, allowing you to further personalise the illumination and ambience of your space.

Combining flexibility and functionality, the Anoli Track is crafted from durable metal, ensuring longevity and a refined aesthetic. Designed by Sofie Refer, the Nuura Anoli 3 Spot Track is a striking way to add accent task lighting to kitchens, dining spaces, offices and hallways. The 1m long track blends seamlessly into its surroundings, ensuring it doesn't take away from the design of your space.
