PRODUCT DESCRIPTION

Designer: Robbie Llewellyn

Bert Frank Rinato LED Linear Pendant

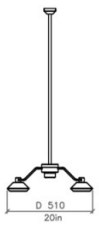

The Bert Frank Rinato Pendant combines sleek minimalism with rich detailing in a sculptural twin-shade design. With two elongated light shades aligned in parallel and suspended from solid brass supports, this compact pendant delivers powerful visual impact with elegant restraint.

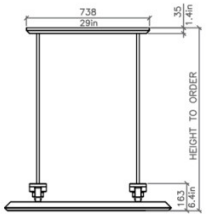

Crafted from stainless steel and brass, the pendant's refined surfaces are softened by a decorative leather inlay, providing a personal touch and textural contrast. Its integrated LED system delivers a warm, consistent glow, ideal for over dining tables, kitchen islands, or as a statement feature in living spaces.

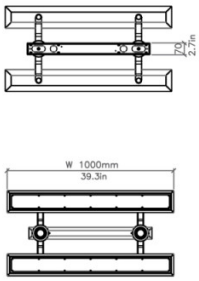

Please note, alternative leather colours are available for this product and a custom drop length is required when ordering. Contact us for pricing and information.
