PRODUCT DESCRIPTION

Astro Minima Pro Round Fixed IP65 LED Recessed Light

The Astro Pro Minima Pro Round Fixed LED Recessed Light was designed to minimise glare while providing a clean and elegant lighting solution for modern spaces. This subtle recessed light is equipped with a removable inner bezel, allowing easy access to the driver and electrical connections without the need to remove the entire downlight. Minima is crafted from mild steel and available in either black or matt white.

Astro's Minima Pro Round Fixed offers certified fire protection of 30 or 90 minutes when installed in fire-rated solid joist ceilings, and 30 minutes in fire-rated metal web and I-Joist constructions. The fitting is also IP65 rated, allowing it to be used in damp areas, making it effective for bathrooms. The Astro Minima Pro Round Fixed IP65 LED Recessed Light allows you to choose between three beam angles, allowing you to create a lighting scheme that caters to you and your needs.

Please Note: The Minima Pro LED Recessed Light can also be supplied with Dali dimming, and a range of LED filters are also available if required. Please [contact us](#) for more information and pricing.
