PRODUCT DESCRIPTION

Astro Pinhole Pro Round Flush Adjustable Recessed Light

Designed to blend seamlessly into your ceiling, the Astro Pinhole Pro Round Flush Adjustable Recessed reduces glare while creating a warm and inviting atmosphere. You can easily direct the lighting output wherever it is needed most, whilst the three different beam angles allow you to further personalise the illumination. The sleek white finish ensures that the Astro Pinhole Pro can adapt to almost any interior.

The Pinhole Pro Round Flush Adjustable offers certified fire protection of 30 or 90 minutes when installed in fire-rated solid joist ceilings, and 30 minutes in fire-rated metal web and I-Joist constructions.

Please Note: The Pinhole Pro Round LED Recessed Light can also be supplied with Dali dimming, and a range of LED filters are also available if required. Please [contact us](#) for more information and pricing.
