PRODUCT DESCRIPTION

Designer: Sebastian Wrong

Established and Sons Filigrana Ellipse Pendant

British designer Sebastian Wrong created the Filigrana Ellipse Pendant in 2018. He aimed to craft a luminaire that evokes childhood and memory, resulting in a bold design laden with candy-striped patterns. Each shade is made from acid-etched, mouth-blown glass. Coloured stripes of glass are rolled onto the surface to create the candy-cane effect. This technique dates back to the 16th century, making the Ellipse Pendant a subtle yet effective blend of classic techniques and contemporary design.

The Filigrana Ellipse Pendant is available in two sizes and three bright finishes: Red, Blue, and Black. The glass shade diffuses light into a warm glow that surrounds the shade and fills the room with ambient lighting. This makes the Ellipse particularly effective in rooms that require a cosy and inviting atmosphere, such as a bedroom, living room, or dining room. Display on its own, in rows lining the length of a hallway or table or install in a cluster with other pendants from the [Filigrana Collection](#) to create a vibrant display that's full of character.

PRODUCT SPECIFICATION

Light Source: 1 x Max 15W E27 LED (Excluded)

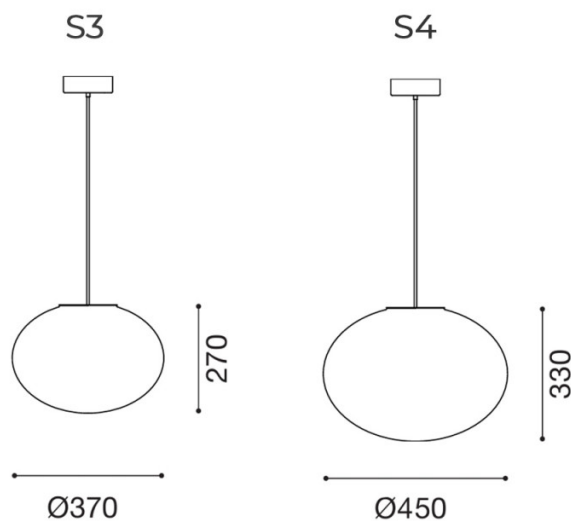

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: S3:
Ø37cm
Height: 27cm

S4:
Ø45cm
Height: 33cm

Cable Length: 200cm
