PRODUCT DESCRIPTION

Designer: Sebastian Wrong

Established & Sons Filigrana Globe Pendant

The Filigrana Globe Pendant was created by British designer Sebastian Wrong. Eager to create designs that astonish, Wrong's Filigrana Pendant is bright, bold, and instantly captivating. Harnessing a technique that dates back to the 16th century, each shade blends classic methods with contemporary design. The shade is formed from acid-etched mouth-blown glass, before coloured strips of glass are rolled onto the surface to create the striking candy cane pattern.

The Filigrana Globe Pendant produces a gentle, indirect glow. The spherical glass shade diffuses light, enhancing the colourful striped pattern while adding a welcoming and cosy ambience to any space. The Globe Pendant is available in three bold finishes: Red, Blue, and Black. Install individually or together to create a colourful display in your home that exudes personality. The Filigrana Globe Pendant is an excellent addition to any room that requires soft, ambient lighting, such as a bedroom, living room, or dining room.
