PRODUCT DESCRIPTION

Designer: Ronan & Erwan Bouroullec

Established and Sons Lighthouse Table / Floor Lamp

The Lighthouse Table/Floor Lamp was created by design duo Ronan and Erwan Bouroullec. The sculptural piece is impressive in size, allowing it to be used as either a table or floor lamp. The Bouroullec brothers cleverly combine traditional hand-blown glass with industrially engineered aluminium and pure marble to create a timeless design.

The Lighthouse Table/ Floor is available with either a Marquina black marble base or a Carrara white marble base. The characteristic swirls and veins of the two types of marble will differ from piece to piece, making each lamp unique. The mouth-blown glass shade is available in a choice of grey or amber.

An internal diffuser softens the light, creating an ambient glow, while giving the Lighthouse the appearance of a traditional lantern. An integrated turn dial dimmable switch allows the user to adjust the intensity of light to suit any environment. The Lighthouse Table/ Floor Lamp provides a sturdy, sculptural element to any room, and is well-suited to contemporary living rooms or adding ambient lighting to a bedroom.

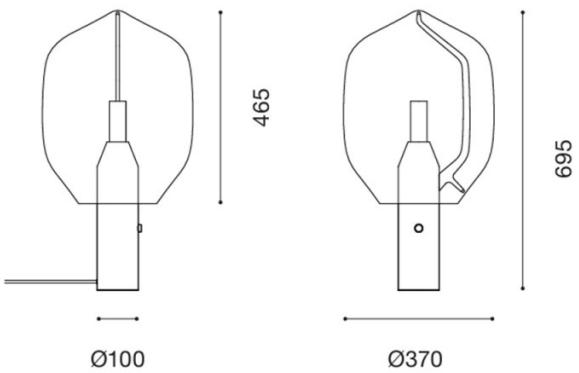

PRODUCT SPECIFICATION

Light Source: 8.6W, 2700K, 600 Lumens

IP Code: 20

Dimming: Integrated dimmer on the product.

Dimensions: Shade: Ø37cm
Height: 69.5cm
Base: Ø10cm
Cable Length: 150cm
