PRODUCT DESCRIPTION

Designer: Sylvain Willenz

Established and Sons Torch S1 Pendant

The Torch S1 Pendant is part of the **Torch Collection**, designed by Sylvain Willenz. The Torch has a very graphic, simple design language - inspired by a handheld torch. The pendant features a conical lamp shade, reminiscent of a classic lampshade. The wide base guides light downward into a bright and functional glow. When lit, the diamond-patterned diffuser softens the light, creating a glare-free and warm glow.

The Torch S1 Pendant is made from flexible, grainy plastic, which gives the shade a textured surface. Each pendant is available in three vibrant finishes: Yellow, Red, and Black. A fabric-covered cable matches the shade's colour, enhancing the playful aesthetic. This offers a wide range of colour and cluster combinations, allowing you to create a vibrant and unique display that perfectly matches your interior and personal style. The S1 produces functional task lighting, well-suited above surfaces such as a kitchen island or office desk. In commercial spaces, the Torch S1 is perfect for providing a welcoming ambience and a touch of personality in hospitality settings such as a bustling modern café.

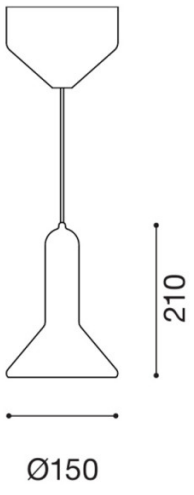

PRODUCT SPECIFICATION

Light Source: 1 x Max 6W E14 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø15cm
Height: 21cm
Canopy: Ø15cm
Canopy Height: 8.2cm
Cable Length: 200cm
