PRODUCT DESCRIPTION

Designer: Sylvain Willenz

Established and Sons Torch S2 Pendant

The Torch S2 Pendant was created by Brussels-based designer Sylvain Willenz. The tactile, silicone shade is inspired by the shape and material of a typical torch, while its diamond-textured diffuser references a car headlight. The S2 features a textured shade with a rounded opening that guides light into a wide, downward glow. The pendant is available in three bold finishes: Yellow, Red, and Black. The colour of the fabric-covered cord matches the shade's finish, enhancing the S2's playful aesthetic.

The T2 Pendant creates functional downward lighting, perfect for task lighting above a kitchen island, dining table, or desk in an office. The T2 Torch can be displayed individually, in multiples, or alongside other pendants from the **Torch Collection**. This option for customising your display adds to the playful aesthetic of the collection and allows you to create an installation that perfectly suits your interior, regardless of size or personal style. In commercial spaces, the T2 is well-suited to contemporary office spaces or hospitality settings such as a café or bar.

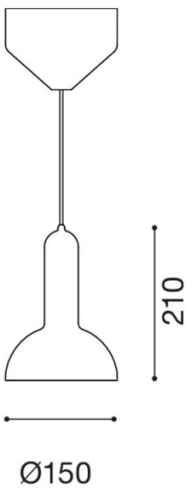

PRODUCT SPECIFICATION

Light Source: 1 x Max 6W E14 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø150cm
Height: 21cm
Canopy: Ø15cm
Canopy Height: 8.2cm
Cable Length: 200cm
