PRODUCT DESCRIPTION

Designer: Sylvain Willenz

Established and Sons Torch S3 Pendant

The Torch S3 Pendant was created by Brussels-based designer Sylvain Willenz. The shape and silicone material of the shade are inspired by a handheld torch. Within the shade is a diamond-patterned diffuser – a reference to a car headlight. The S3 is part of the **Torch Collection**, which includes three pendants and two bunch suspensions. Willenz originally designed the **S1 Pendant** before deciding to use this conical design to create the slightly larger S3, which produces even more light into the space below.

The wide, conical shade guides light downward into a functional task-lighting, perfect for illuminating a dining table, kitchen island, or desk. Like the other pieces from the Torch Collection, the S3 is available in yellow, red, and black, with a fabric-covered cable that matches the shade's finish. This allows you to create a fun and lively look by combining different colours and sizes. In commercial settings, the Torch S3 Pendant is well-suited to colourful and contemporary spaces such as a vibrant café.

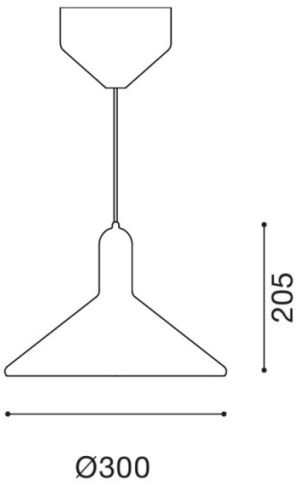

PRODUCT SPECIFICATION

Light Source: 1 x Max 6W E14 LED (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø30cm
Height: 205cm
Canopy: Ø15cm
Canopy Height: 8.2cm
Cable Length: 200cm
