PRODUCT DESCRIPTION

Designer: John Tree

HAY Apex Desk Lamp with Clamp Base

IN GREAT CONDITION WITH MINOR SIGNS OF WEAR AND TEAR. SEE IMAGES FOR EXACT CONDITION. BOXED IN A-GRADE ORIGINAL PACKAGING. 1 x Emerald Green Available.

Designed by John Tree and released in 2023, the HAY Apex Desk Lamp is a playful lighting solution that adds a burst of colour to your workspace. The base is crafted from copper, with an angled arm that is designed to lean across your desk for optimal illumination. The clamp base can be fixed to almost any horizontal surface and can be easily moved when needed.

Apex holds a folded steel shade that creates a silhouette resembling a peaked roofline, which was the inspiration behind the Apex collection came from. Not only does this shade add a unique aspect to the Apex Desk Lamp, but it can also be rotated 360°, allowing you to direct the task light to wherever you need it most.
