Artemide Nessino Table Lamp

BRAND NEW, BOXED IN ORIGINAL PACKAGING.
4 x Blue Available.

The smaller version of the classic and original [Nesso](#) table lamp, the Nessino was also designed by Giancarlo Mattioli in 1967. The table lamp met the same success as its predecessor. A minimalist design that still gives recognition to the 1960s vibes. The diffuser and body are both in polycarbonate, while the light source emits a diffused and direct light. The lamp, with a smaller body than the Nesso, fits just about everywhere in your home and is available in a range of finishes, all of which validate its bold statement.
