&Tradition Mist Pendant AP20

&Tradition's AP20 Mist Pendant is the third and largest pendant from the **Mist Collection.** Despite its remarkable volume and scale, the AP20 conveys the same illusion of weightlessness, appearing to hover mid-air. Like its predecessors, the AP20 is a modern take on the classic globe pendant. Design studio All The Way To Paris wanted to create a pendant that captivated its audience, maintaining a strong visual presence when hung alone. Using a strategic placement of wires, All The Way To Paris manages to strike a balance between the substantial quality and the light and airy appearance.

The AP20 Mist Pendant features a hand-blown opal glass shade that, when illuminated, provides a milky, diffused glow. This glare-free, ambient lighting creates a warm and cosy atmosphere, perfect for lounge areas or a dining room. While the AP20 Pendant creates a striking display when hung alone, multiples can be installed in larger spaces. A row of pendants above a long table or kitchen island will provide bright, uniform lighting while creating a sense of balance. Install multiples in a cluster at varying heights for a unique and dynamic display. In commercial spaces, the AP20 Mist Pendant is an ideal lighting solution for creating a welcoming ambience in hospitality environments, such as bars or restaurants.

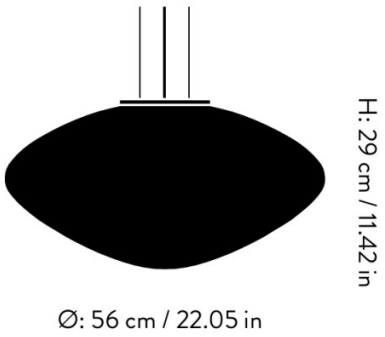

PRODUCT SPECIFICATION

Light Source: 1 x Max 100W E27 (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø56cm
Height: 29cm
Cable Length: 600cm
