PRODUCT DESCRIPTION

Designer: All The Way To Paris

&Tradition Mist AP21 Portable Lamp

The &Tradition Mist AP21 Portable Lamp emits a glow similar to that of the **Mist Table Lamp** but features a petite size and cordless functionality. The saucer-shaped glass shade was originally designed as a modern take on a classic globe shade. The mouth-blown opal glass sits atop a marble base, creating a striking balance between delicate glass and solid stone. The AP21 Portable Lamp is available in two marble base finishes: Verde Guatemala and Grigio Caldo.

When illuminated, the opal glass shade diffuses light into a warm glow that surrounds the lamp. A 3-step dimmer and dim-to-warm function allow the user to adjust brightness to suit any environment. With an 8-hour charging time, the Mist AP21 Portable Lamp offers up to 10 hours of light, depending on the brightness selected.

The &Tradition Mist AP21 Portable Lamp has an IP rating of 44, making it splash-proof, ideal for use in a bathroom or outdoors. Display throughout the home where a warm and cosy ambience is required, such as a bedside table or sitting room. The Mist AP21 Portable is perfect for use in restaurants, with a lamp in the centre of each dining table adding a cosy and intimate lighting.

For commercial use, a charging tray with room for 11 lamps can be purchased. Contact us for more information.
