Petite Friture PYL Floor Lamp

The PYL Floor lamp is created using geometric shapes, combining tubular and cone-shaped structures. The minimalistic profiles, paired with the playful colourways, are the signature of the **PYL Collection**. The PYL Floor Lamp is available in a multicoloured finish, featuring bright yellow and chilli red, inspired by Italian design from the past century. The neutral white and black colours contrast against the vibrant yellow and red, grounding the lamp while creating a sense of balance.

When illuminated, the PYL Floor Lamp offers indirect lighting. The ribbed, press-moulded glass diffuser distributes light into a soft and gentle glow, while white reflectors optimise light distribution. An in-line dimmer on the cable allows users to adjust the light intensity to suit any environment. While the PYL Floor Lamp can be displayed alone, it is enhanced when displayed with other pieces from the collection, creating a unique interplay of shapes and colours. Display the PYL Floor Lamp in a sitting room or office to add a playful touch to the room that offers functional, ambient lighting.
