The Vibia Wireflow LED Suspension is a unique concept, priding itself on its adaptability. Designed by Arik Levy, the Wireflow can accommodate a range of spaces, styles and compositional requirements. Wireflow consists of black electrical cables that are interwoven to create bold geometric shapes that still offer a hint of minimalism.

The Vibia Wireflow 0300 Chandelier is a beautiful addition to stairwells, entryways, large dining or living areas and even dining spaces. Wireflow is the definition of contemporary minimalism.
