SkLO Pillow Wall / Ceiling Light

The Pillow Wall/ Ceiling Light has been created by SkLO's in-house team of designers. SkLO celebrates traditional Czech glass-blowing techniques by expertly blending the ancient craft with modern design. Czech glass can be recognised by its vibrant colours and large, sculptural forms.

The Pillow is comprised of two mouth-blown glass shapes: a large, frosted glass form and a small, flattened sphere that sits in its centre. Its organic curves give the outer glass a soft appearance, creating the impression that the internal sphere is nestled into its pillow-like form. Each of the two glass elements is available in a choice of three colourways, creating numerous possible combinations. When installed in multiples, users can mix and match colourways from piece to piece to create a dynamic display with an approachable whimsy.

The Pillow is available in three sizes: small, medium, and large. When lit, the coloured glass diffuses light into a soft, glare-free glow, perfect for adding a welcoming ambience in any room. Sitting flush to the wall, the Pillow Wall/ Ceiling Light will fit a range of interiors, regardless of space. In commercial spaces, the Pillow Wall/ Ceiling Light can be displayed in contemporary cafes or restaurants to add a welcoming atmosphere paired with a bold personality.

PRODUCT SPECIFICATION

Light Source: 1 x Max 7W G9 LED (Included)

IP Code: 20

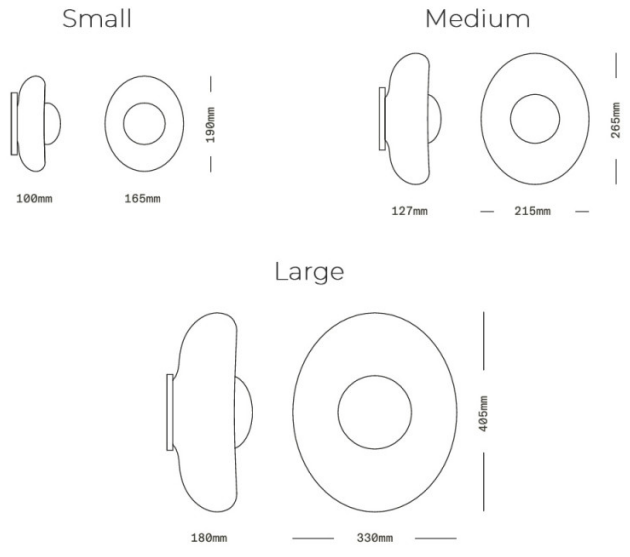

Dimming: Dimmable via mains phase dimming.

Dimensions:

Small
Height: 19cm
Width: 16.5cm
Depth: 10cm

Medium
Height: 26.5cm
Width: 21.5cm
Depth: 12.7cm

Large
Height: 40.5cm
Width: 33cm
Depth: 18cm
