PRODUCT DESCRIPTION

Designer: SkLO

SkLO Dot 2x Wall / Ceiling Light

The Dot 2x Wall/ Ceiling Light combines modern Californian design with centuries-old Czech glass tradition. Its minimal design offers a variety of colour options, adding a playful element that allows for creativity. The two glass diffusers are available in nine colourways, which are installed on a brass base, available in four sleek metallic finishes. Mix and match colour combinations to create a lamp that perfectly suits your style and interior. As each flattened sphere diffuser is mouth-blown, slight variations in shape or colour may occur.

The versatility of the Dot 2x Wall/ Ceiling Light makes it well-suited to a wide range of environments. Use the bright, candy-cane colourways to create a flurry of colour, adding a vibrant and bold personality to a child's bedroom. Utilise more neutral, muted tones to create a sophisticated display in a hallway or dining room. When illuminated, the Dot emits a gentle, diffused lighting, perfect for creating a cosy atmosphere in a reading nook. In hospitality settings, the Dot can be installed in multiples, running the length of a hotel hallway, or in colourful clusters in a contemporary café.

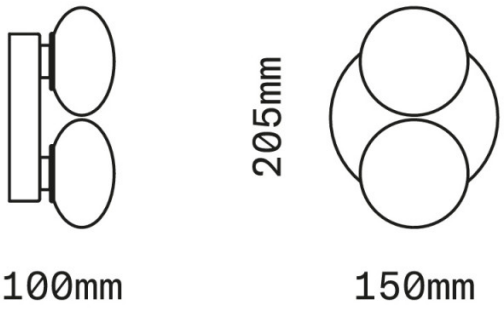

PRODUCT SPECIFICATION

Light Source: 2 x Max 7W G9 LED (Included)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Height: 20.5cm
Width: 15cm
Depth: 10cm
