BEGA 84073 Outdoor Bollard

Offering a shielded lamp head that generates a pleasant downlight in your garden, patio or pathway, the BEGA 84073 Outdoor Bollard is a sleek choice for a variety of environments. Available in a graphite or bronzed finish, depending on your style, this lighting solution can be used in residential or commercial spaces alike.

The opal glass diffuser of the BEGA 84073 Outdoor Bollard ensures an evenly dispersed and glare-free illumination that is directed onto the surface below. Arranged as single installations or in groups or linear rows, the BEGA 84073 is a sophisticated solution for your exterior setting.

Please Note: The BEGA 84073 Outdoor Bollard is supplied with a screw on base as standard, but an anchorage unit can also be supplied at an additional cost. Please Contact Us for information and pricing.
