PRODUCT DESCRIPTION

Designer: BEGA

BEGA 24400 LED Ceiling Light

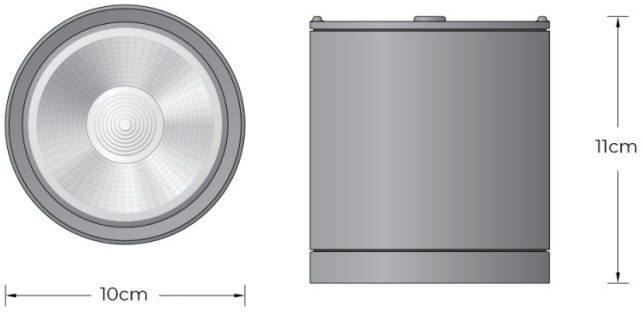

A subtle and compact downlighting solution, the BEGA 24400 Ceiling Light combines a durable cylindrical cast aluminium structure with BEGA hybrid optics, making the most of lens and reflector technology. The result is a highly efficient, low-loss optical system with optimal glare suppression and very compact dimensions.

The BEGA 24400 LED Ceiling Light is available in two minimalistic finishes: graphite or white, allowing them to adapt to a range of interiors. This LED ceiling light can also be installed individually or in multiples and rows for larger interiors. An excellent, functional lighting solution for residential and commercial spaces alike.

The BEGA 24400 Ceiling Light can also be supplied with DALI dimming and varying colour temperatures. Please contact us for more information and pricing.
