PRODUCT DESCRIPTION

Designer: BEGA

BEGA 66157 LED Ceiling Light

The BEGA 66157 LED Ceiling Light is a durable downlighting solution with a geometric presence. Crafted from cast aluminium with a patented glass diffuser, this ceiling light provides functional and glare-free downlighting with maximum visual comfort. It can be installed individually or in linear rows for longer corridors or lobbies.

Available in a sleek graphite or white finish, the BEGA 66157 Ceiling Light can adapt to a range of spaces, whilst the IP65 rating also means it can be used in exterior settings such as patios and exterior entryways or even bathrooms. With a depth of only 9.5cm, this ceiling light provides ample illumination while remaining unobtrusive.

The BEGA 66157 Ceiling Light can also be supplied with DALI dimming and varying colour temperatures. Please contact us for more information and pricing.
