PRODUCT DESCRIPTION

Designer: BEGA

BEGA 38300 LED Ceiling / Wall Light

Crafted from and-blown three-ply opal glass and luminaire housing made of cast aluminium, the BEGA 38300 LED Ceiling/Wall Light offers an evenly diffused illumination for various spaces. The BEGA 38300 uses a monochromatic colour palette, allowing it to adapt to a range of personal styles, and with an IP44 classification rating can also be used in bathrooms and select exterior settings.

This luminaire is described as distinctive and recognisable, and can be used independently or in multiples. For this reason, the BEGA 38300 LED Ceiling/Wall Light is an excellent choice for residential and commercial environments, a durable way to illuminate hallways, garages, driveways, patios and exterior entryways.
