PRODUCT DESCRIPTION

Designer: BEGA

BEGA 12146 LED Ceiling / Wall Light

A versatile and minimalist lighting solution, the BEGA 12146 LED Ceiling/Wall Light offers functional and diffused illumination within a durable structure. This luminaire is ideal for places where a soft and uniform lighting distribution is required, and is also ideal for bathrooms, thanks to its IP 44 protection class.

The integrated LEDs of the BEGA 12146 offer optimal light output with low power consumption at the same time, and are an excellent choice for residential and commercial spaces. The opal glass with a satin-matt finish is held in place by solid cast fittings made of high-quality aluminium. Whether displayed individually or in groups, the BEGA 12146 LED Ceiling/Wall Light is a building block of light that serves to accentuate architecture by day and by night.
