## PRODUCT DESCRIPTION

Designer: Niclas Hoflin

RUBN Bloomsbury 500 LED Wall Light

The RUBN Bloomsbury 500 LED Wall Light by Niclas Hoflin distils minimal design into an elegant, linear form. Its compact 500 mm size makes it ideal for smaller spaces, delivering a soft yet effective wash of light that can enhance both residential and commercial interiors. Crafted with precision in Sweden, the Bloomsbury is available in a variety of premium finishes including brass, steel, copper and powder-coated colours, each giving a distinct character to the design.

The lamp can be installed either vertically or horizontally, making it a versatile solution for illuminating corridors, accenting mirrors, or highlighting artwork. Options for direct mount hardwiring or a plug-in cable with dimmer ensure flexibility for different applications. Featuring an integrated 7W dimmable LED at 2700K, the Bloomsbury 500 creates a warm ambience while maintaining energy efficiency. Used individually or in multiples, it demonstrates RUBN's commitment to timeless design and long-lasting functionality.
