PRODUCT DESCRIPTION

Designer: BEGA

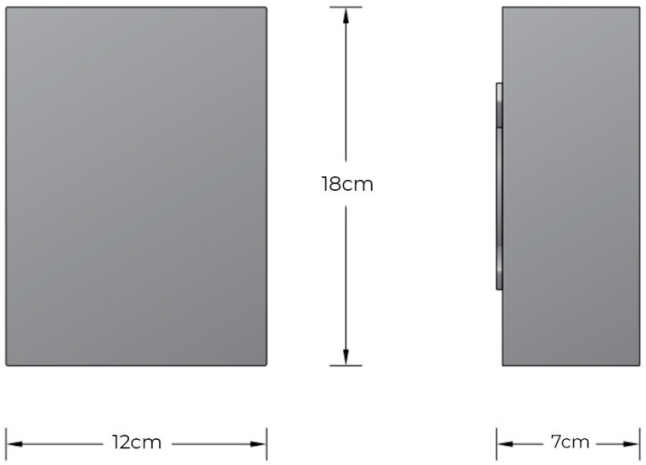

BEGA 24127 LED Outdoor Wall Light

The BEGA 24127 Wall Light is an efficient lighting solution, crafted from cast aluminium with transparent diffusers to prevent glare. This architectural wall light provides an upward and downward illumination, making it perfect for accent lighting in a range of settings. Thanks to the IP65 rating, the BEGA 24127 is protected from the elements and can be used in exterior settings. This makes the luminaire a perfect addition to exterior walls, driveways, gardens, patios and terraces.

The sleek graphite finish of the BEGA 24127 LED Outdoor Wall Light means it is capable of suiting a variety of personal styles and architectural choices. The small overhang and rectangular design open up new possibilities for accentuating walls and facades. The dimming capabilities of the BEGA 24127 ensure you can easily personalise the light intensity to suit your needs.
