PRODUCT DESCRIPTION

Designer: BEGA

BEGA 77277 LED Bollard Light

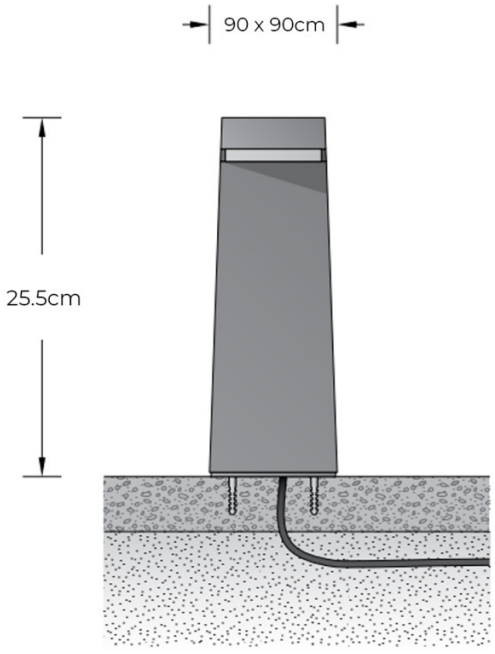

The BEGA 77277 LED Bollard Light is a smaller version of the **84176 Bollard** also in the brand's collection. With a 3000K colour temperature, this luminaire provides a focused and functional downlight that can be used in a variety of settings, including on footpaths and terraces in private gardens, and house entrances. The cost-effective and efficient LED technology makes them low-maintenance and modern luminaires for both residential and commercial settings.

The BEGA 77277 LED Bollard offers the choice between a sleek graphite or silver finish, both adding a contemporary aesthetic to your space. Meanwhile, the IP65 rating ensures this lighting solution can be used in exterior settings and is protected from the elements.

Please Note: The BEGA 77277 LED Bollard is supplied with a screw on base as standard, but an anchorage unit can also be supplied at an additional cost. Please Contact Us for information and pricing.
