Audo Copenhagen Nonna Table Lamp

The Audo Copenhagen Nonna Table Lamp offers a variety of options and provides an elegant design with warm, inviting illumination. Designed by Kroyer-Saetter-Lassen, these sculptural luminaires encapsulate a modern yet familiar interpretation of timeless design. Anchored by a warm travertine stone or aluminium base and paired with a softly diffused sand-coloured shade, each Nonn lamp creates a gentle, ambient glow that feels both refined and reassuring.

The Nonna Table Lamp also offers three sizes, the largest model, with a height of 49cm, which introduces vertical rhythm and quiet drama to shelves or sideboards, or the more compact small and medium, both of which are designed to sit easily on consoles, window ledges, or smaller surfaces. Each of these ambient lighting solutions adds Nordic charm to your space, no matter where you decide to display them, generating a cosy atmosphere.
