PRODUCT DESCRIPTION

Designer: Tim Rundle

Audo Copenhagen TR Bulb Suspended Wall Light

Extending the Audo Copenhagen TR Bulb idea into a sculptural wall piece, the Suspended Wall Light pairs a projecting metal arm with the collection's opal glass globe for soft, glare-free light. The integrated rotary dimmer on the round backplate gives direct control from the wall, making it an easy choice for bedsides, living rooms and hospitality settings where ambience shifts through the day. The opal globe houses a high-quality TR Bulb LED, so the lamp and shade act as one calm sphere, while the crisp geometry of the arm provides a clear graphic presence.

Available in brushed brass or mirror-polished steel with matte opal glass, the light can be installed with the supplied cord and plug or hardwired by an electrician for a cleaner look. Use singly to anchor a reading nook or mount in pairs to frame a headboard or sofa. As part of the TR Bulb family, it can be matched with pendants and ceiling lights to carry one language across a scheme.

PRODUCT SPECIFICATION

Light Source:	1 x Max 6.5W E27 LED (Included)
IP Code:	20
Dimming:	Integrated dimmer on the product.
Dimensions:	Shade: Ø20cm Depth: 32cm Height: 45.5cm
