PRODUCT DESCRIPTION

Designer: Birger Dahl

Northern Dahl Wall Lamp

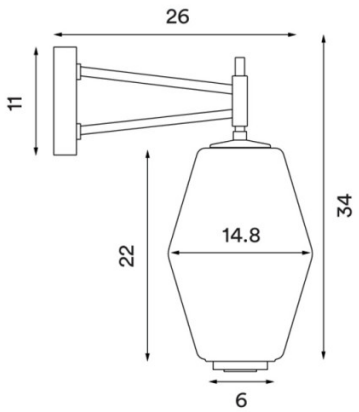

The Dahl Wall Lamp was created by Scandinavian designer Birger Dahl. Dahl originally designed the collection for Norway's Parliament Building in 1956. Lighting brand Northern has now reintroduced the **Dahl Collection,** making it accessible to collectors of the distinctive series. The wall lamp preserves the timeless Norwegian design, characterised by its geometric form that's softened by warm glass tones. The opal white glass shade is mouth-blown by expert craftsmen. The steel frame features brass detailing, a decorative element that adds to the lamp's elegant aesthetic.

When illuminated, the glass shade evenly distributes light into a soft and glare-free glow. This ambient lighting is perfect for creating a warm, inviting atmosphere in bedrooms, living rooms, or dining rooms. Display individually, in pairs to frame a bed or doorway, or in multiples, lining the length of a hallway. In commercial spaces, the timeless aesthetic suits classic or contemporary settings such as restaurants and bars looking to create a welcoming atmosphere.

Please Note: This wall light is supplied with a cable and plug, so must be installed near a socket.

PRODUCT SPECIFICATION

Light Source:	1 x Max 7W E27 LED (Excluded)
IP Code:	20
Dimming:	In-line on/ off switch on cable.
Dimensions:	Total Height: 34cm Shade Height: 22cm Depth: 26cm Cable Length: 200cm
