PRODUCT DESCRIPTION

Designer: Poul Henningsen

Louis Poulsen PH 5 Pendant Black Friday Edition

To mark Black Friday 2025, Louis Poulsen has released a Black Edition of their iconic PH 5 Pendant, available to purchase until December 31st, 2025. Originally designed by Poul Henningsen in 1958, the PH 5 Pendant remains Louis Poulsen's best-selling lamp. The Black Edition features Henningsen's classic tiered shade design in a brand-new finish. Each shade has a Black Monochrome outer finish with a white powder-coated interior. Burgundy spacers and a Pale Blush anti-glare ring create a dynamic and eye-catching colour combination that complements the PH 5's sophisticated aesthetic.

When illuminated, the PH 5 emits a glare-free light. The white underside effectively reflects light, creating a warm glow that surrounds the shade. This ambient glow is perfect for illuminating a dining table or kitchen island while creating a comfortable and inviting atmosphere. Install individually to add an ornamental element to the room, or in multiples for a dynamic display.
