PRODUCT DESCRIPTION

Designer: Poul Henningsen

Louis Poulsen PH 5 Mini Pendant Black Friday Edition

The PH 5 Black Friday Edition is a limited edition of Louis Poulsen's iconic PH 5 Pendant. To mark Black Friday 2025, this new edition is available until December 31st, 2025. Originally designed in 1958, the PH 5 was Poul Henningsen's response to incandescent bulbs and their constant size and shape changes, which risk glare. The PH 5 Black Friday Edition maintains the instantly recognisable tiered shade system in a sophisticated new colourway. The interior of each Black Monochrome shade is finished in a Gloss White, while the spacers are a Monochrome Burgundy. The anti-glare ring features a Monochrome Pale Blush finish, a well-considered detail that adds a subtle pop of colour.

When illuminated, the tiered shades create a soft, glare-free lighting. The inside of each shade is finished in Gloss White, which reflects light into a bright glow that surrounds the lamp. This warm lighting is perfect for creating a comfortable atmosphere. Display above a dining table, kitchen island, or in a sitting room for an elegant addition that adds a touch of sophistication to the room. Install in multiples to create a uniform glow over long surfaces, or in clusters at alternating heights for a dynamic display.
