Lodes A-Tube Pendant Light

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
1 x Matte Black Available.**

The Lodes A-Tube is a minimalist and contemporary light that is versatile and intriguing. The pendant was created by Lodes' in-house team of designers and, true to their style, captures the beauty and craftsmanship of Italian design. Made from metal, the cylindrical lampshade emits a concentrated, direct downward light that resembles a spotlight. The direct lighting can be used to illuminate a surface, either installed as a singular pendant or in multiples to line the length of a long table.

The Lodes A-Tube Pendant is effective in kitchens and dining rooms. In large rooms or commercial spaces, install large clusters at varying heights to create a captivating and unique display. Each pendant comes with a Matte White ceiling canopy.
