PRODUCT DESCRIPTION

Designer: BEGA

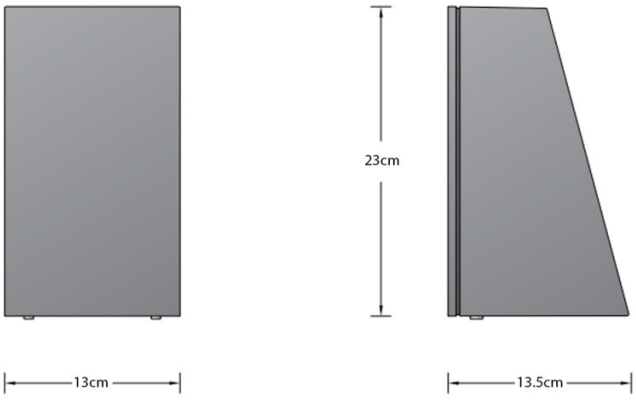

BEGA 33816 LED Outdoor Wall Light

The BEGA 33816 LED Outdoor Wall Light is a shielded luminaire with symmetrical light distribution. This luminaire is particularly suitable for installation on pillars and front surfaces of walls, thanks to its compact dimensions. It is also available in two elegant finishes, Graphite or Silver, both of which add a striking contrast to a variety of spaces. Compact, efficient and ideally equipped for long and economical operating times, the BEGA 33816 Wall Light embodies the consistent implementation of LED technology.

The IP64 rating alongside the sturdy aluminium and stainless steel structure allows this wall light to withstand harsher environments, making it the perfect outdoor downlight for both residential and commercial spaces. The 33816 can be installed independently or in multiples for longer walls. A stunning way to illuminate hallways, driveways, exterior entryways, gardens and patios.
