The Santa & Cole Tripode G5 shade is crafted from cotton ribbon and adds an elegant touch to living rooms, bedrooms and hallways. The use of handmade cotton ribbons for the shade reincorporates traditional craftsmanship into a modern lamp. When lit, the Tripode shade provides a warm light, rich in nuances, and while the light is off, the Tripode G5 is a sculptural statement piece that enhances the room. The soft black finish means this shade can adapt to a wide variety of interiors.
