&Tradition Journey SHY4 Floor Lamp

The Journey SHY4 Floor Lamp, designed by Signe Hyette, joins the existing **Journey Collection.** This new addition maintains the series' refined simplicity while introducing a striking sense of scale. To create the sculptural silhouette, a mouth-blown, opal glass shade is mounted on a brushed and bent steel base. This marriage of materials is characteristic of Hyette's approach to design, which seeks clarity by stripping away unnecessary details.

In addition to its sculptural elegance, versatility is at the heart of the Journey SHY4 Floor Lamp. The lamp can be positioned either vertically or laterally and is suitable for use as a table or floor lamp. When switched on, the spherical shade diffuses light into a gentle, glare-free glow that surrounds the lamp, echoing the appearance of a full moon. Display as a statement piece in a bedroom, living room, or dining room for a subtle sense of grandeur while adding warm, ambient lighting to the space.
