PRODUCT DESCRIPTION

Designer: John Tree

Tala Loop Table Lamp

Designed by John Tree, the Tala Loop Table Lamp draws inspiration from the potential of its materials. Utilising an anodised aluminium structure, in either dark grey or matt gold, and a glass Tala-branded bulb, this lighting solution adds an industrial feel to any interior. The Sphere IV bulb provides an evenly diffused illumination, and the lamp is fitted with dim-to-warm capabilities, which can be controlled via an in-line dimmer on the cable, to create your perfect ambience.

Loop is a perfect choice for your bedside, as a desk lamp or for adding warmth to a reading nook. Similarly, it can be utilised in commercial spaces, especially in the hospitality industry. To further enhance its capabilities, the Tala Loop is IP44 rated, meaning it is suitable for use in bathrooms and other damp areas, although it can not be used outdoors.

Please Note: The glass globe housed in the base of the Tala Loop is a replaceable Sphere IV LED Tala bulb and not a diffuser.

PRODUCT SPECIFICATION

Light Source:	1 x Max 8W E27 LED G150 (Included)
IP Code:	44
Dimming:	In-line dimmer included on the cable.
Dimensions:	Height: 24.5cm Width: 18.5cm Cable Length: 300cm
