PRODUCT DESCRIPTION

Designer: John Tree

Tala Loop Wall / Ceiling Light

The Loop Wall/Ceiling Light, designed for Tala by John Tree, is inspired by the infinite recyclable potential of aluminium and revels in the economic and efficient use of material. Available in either Matt Gold or Dark Grey, this accent lighting solution provides an even illumination, perfect for creating cosy corners in living rooms, kitchens and bedrooms, as well as for illuminating hallways, entryways and bathrooms thanks to its IP44 rating.

The Tala Loop Wall Light boasts an adodised aluminium frame paired with Tala's Sphere III LED bulb, creating an elegant industrial aesthetic. Dim to Warm technology allows this surface light to be as warm or cool as you like, from 2000-2800K, adjusted alongside the brightness.

Please Note: The glass globe housed in the base of the Tala Loop is a replaceable Sphere III LED Tala bulb and not a diffuser.

PRODUCT SPECIFICATION
