Anglepoise Type 75 Wall Light

BRAND NEW, OVERSTOCK. BOXED IN ORIGINAL PACKAGING.

The Type 75 wall light was designed by Sir Kenneth Grange as part of the [Type 75 collection](#) which was released in 2004. Embracing the past aesthetic of Anglepoise, Grange has modernised the typical Anglepoise lamp by producing lights with clean lines and a neat geometric shade.

The Type 75 wall lamp has a completely movable and adjustable shade, allowing for directional light that can be focused on whatever you like. With 2 subtle colours to choose from, this wall light easily fits into any home or commercial décor to be used as a stylish and functional light that has all the subtleties of Anglepoise's iconic design.
