Buster + Punch 2G Toggle Switch

Created by Buster and Punch, the 2G toggle switch is a gorgeous addition to any interior, characteristic of the lighting brand's style. The 2G toggle works as an on/off switch that can control two points or sources of light. The plate is made from solid metal with a toggle arm made from metal a lovely diamond-cut, cross or linear knurl pattern.

The 2G Modular Toggle Switch by Buster + Punch is part of their Custom Switches + Sockets collection. This allows you to choose the finish of each individual component. Please [contact us](#) for custom configurations and pricing.
