Flos Bellhop Unplugged LED Portable Lamp

The Flos Bellhop Unplugged is a reimagined version of the popular Bellhop Portable Lamp. Designed by Edward Barber and Jay Osgerby, the Bellhop Unplugged features a selection of bold new colourways, created to bring a playful personality to any space. With an IP rating of 54, the Bellhop Unplugged is suitable for both indoor and outdoor environments.

When switched on, the Bellhop casts a warm glow onto the surface below, adding a cosy ambience to the space. An integrated dimmer on the lamp base allows users to adjust the light intensity to suit any mood. Recharge via micro-USB-C for up to 24 hours of use, depending on the light's brightness. The Bellhop Unplugged adds a splash of colour and atmospheric lighting, perfect for a bedside table, reading nook, living room, or outdoor table or picnic blanket.

Please note that while the Bellhop Unplugged is supplied with a micro-USB-C kit, a plug is not included.
