PRODUCT DESCRIPTION

Designer: Ernesto Gismondi

Artemide Nur 1618 Pendant Light

Artemide Nur 1618 Pendant Light creates presence through a monolithic body, where geometrically calibrated lines of a perfect parabola conceal the inner light source. Designed by Ernesto Gismondi, it applies the same Nur profile to a larger suspension with a two-bulb set-up, providing general ambient lighting with indirect emission. The broader scale gives the fitting a more architectural character and a stronger visual relationship with the surrounding space.

Artemide Nur 1618 Pendant Light is available in Anodized Aluminium and Anthracite Grey, with an aluminium, methacrylate, and glass construction. Its two-bulb arrangement supports the wider format, while the larger body keeps the same controlled emission and parabolic form seen across the Nur collection. Best suited for larger dining spaces, open-plan living areas, entrance halls, and commercial interiors where a pendant can provide general ambient lighting with a clear architectural form.

PRODUCT SPECIFICATION

Light Source: 2 x Max 11W R7 (Excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Height: 70cm
Shade: Ø90cm
Base: Ø18cm
Cable Length: 260cm
