PRODUCT DESCRIPTION

Designer: Massimo Minale

Buster + Punch 4G Modular Dimmer Switch

Crafted from solid metal, the Buster + Punch 4G Modular Dimmer Switch adds an industrial aesthetic to any interior. The four dimming knobs feature intricate linear or cross-knurled detailing, synonymous with the brand, which adds to the fitting's tactile nature. Each component can be swapped, making the fitting future-proof with multiple customisation options. Refined by hand, the Buster + Punch 4G Modular Dimmer Switch transforms an ordinary fitting into an extraordinary and essential addition to the home.

The 4G Modular Dimmer by Buster + Punch is part of their Custom Switches + Sockets collection. This allows you to choose the finish of each individual component. Please [contact us](#) for custom configurations and pricing.
